What is Honor Flight?

Honor Flight Network is a nonprofit organization created solely to honor America's veterans for all their sacrifices by flying them to Washington, DC to reflect at their memorials. Top priority is given to WWII survivors along with other veterans who are terminally ill.

Honor Flight Northeast Indiana, Inc., a regional nonprofit, volunteer organization, is a hub of this growing Network.

Why Northeast Indiana?

Although commercial flights can be utilized out of major airline hubs, travel is more difficult for veterans who live in areas where direct commercial flights to DC are not available. In these areas, such as Northeast Indiana, charter flights are the answer.

Honor Flight Northeast Indiana was created to raise funds and provide volunteers to take WWII veterans directly from Fort Wayne International Airport to Washington DC, where motor coaches will be standing by to transport them to their WWII Memorial, as well as other memorial stops throughout the day, before flying them back home the same evening.

There is a long waiting list of WWII veterans in the NE Indiana region who have applied to be included in an Honor Flight trip.

Why Now?

Frankly...time is limited for our WWII heroes. WWII veterans are dying at a rate of >1,000 every day. **It is now or never.**

FREEDOM IS NOT FREE! Please donate to say "Thank You" to those who paid the price.

Donations to Honor Flight NE Indiana, a 501c3 organization, are tax deductible to the full extent allowed by law. Please consult your tax professional for advice.

YES, I would like to donate. My separate check, payable to Honor Flight NE Indiana, in the amount of _____, is enclosed along with my Toucan Snow Adventure III check.
